

ENVIRONMENTAL POLICY

The Naval Surface Warfare Center Dahlgren (NSWCDC) is committed to protecting the environment while carrying out its mission. All personnel share the responsibility to comply with environmental laws, regulations, and policies. Along with the Naval Support Activity South Potomac, through our Environmental Management System, we are committed to:

- Integrating sound environmental practices into processes and business decisions, while maintaining efficient and successful mission execution.
- Complying with applicable federal, state, local, Department of Defense, and Department of Navy regulations and policies for which NSWCDC subscribes.
- Continuously improving environmental performance through effective environmental planning.
- Ensuring pollution prevention, preservation of our land, Chesapeake Bay sustainability, and protection of natural and cultural resources.
- Educating employees concerning their environmental protection responsibilities.
- Increasing public awareness of our commitment to protect the environment.
